# When to Use the Ask for Help Button
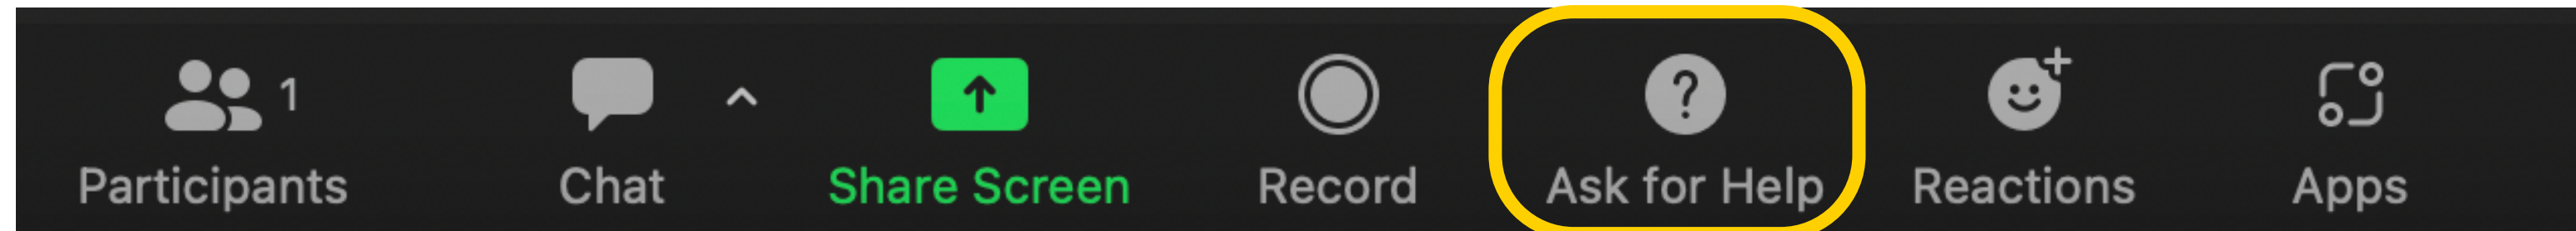

| | | |
|---|---|---|
| You and your student wrap up the lesson early. | It's time for a Cert Check! | Your Reading Specialist asked you to notify them when you got to a certain slide. |
| Your student just doesn't seem to be getting it. | There's a tech issue in the middle of the session. | Your student asks a question that stumps you. |
| You want to make sure that you're sounding out a word correctly. | Your student needs some extra help behaviorally. | You would like your Reading Specialist to communicate with the classroom teacher. |
